

<b>Task #</b>	23 - 18	<b>Date:</b>	24 August 2023	
<b>Meet:</b>	Melton Rd/Fishpool Way			

A bit of a warm morning to begin with when we were trimming the overgrown branches from the hedges alongside Melton Road between Fishpool Way and Poppyfields.

We then managed to find a little shade along the footpath beside Fishpool brook. There we trimmed back overgrown nettles and brambles (but leaving lots of the remaining fruit) from the path, as well as removing lots of built-up soil debris from the sides of the paths, mainly between Pell Close and the bottom of Branston Avenue.

The team also cleared the footpath towards Nursery Grove.

Thanks to the team today: (L-R) Karen, Ali, Andy, Steve, Nick, Phil. Also Julie. Along with Trevor

**Next Task:**

Thursday 14<sup>th</sup> September **10:00**

Location: **Hunting Lodge**
