

Task #	23 - 22	Date:	19 October 2023	
Meet:	Willow Road / Brooker Close – Play area			

Despite the rain we had 9 truly dedicated volunteers out this morning clearing the summer growth from the paths around and inside the children’s play park on Brooker Close / Willow Road.

There were lots of spikey shrubs that were making the path narrow in places for families with pushchairs and small children. We also cut down lots of unwanted saplings that are fast growing and tend to dominate if left to grow unchecked.

Thanks to the team today: (L-R) Philip, Ali, Pat, Steve, Julie, Karen, Nick and Honor

Thanks To Serco and Charnwood Borough Council for the green waste bins - we filled all 9 to the top!

Next Task:

Thursday 2nd November 10:00

Location: **Navigation Inn – Towpath Repairs**
