

Task #	23 – 26	Date:	7 Dec 2023	
Meet:	Bridge St/High St Car park			

Our final team task of the year had us dodging the rain to clear the overgrowth of mainly brambles and ivy from the top of Bridge Street , bottom of High Street corner this morning. We also removed a small bag of bottles and cans that had been left in the ivy.

The pavement was swept clear of leaf litter to hopefully make it feel safer for pedestrians over the coming winter months. We also removed the overgrowth of ivy and leaf litter from the pavement opposite.

Thanks to the team today: (L-R) Karen, Julie, Andy, Ali, Nick and Trev

Thanks To Serco and Charnwood Borough Council for the green waste bins

#### **Next Task:**

Thursday 11<sup>th</sup> Jan 2024 10:00

Location: **Piets Close/Bridge Street entrance**
