

Task #	24 – 08	Date:	02 May 2024	
Task:	Riverside View – Spruce Up			

A great morning down at Riverside View today sprucing up the area. We sanded and stained 4 benches, and 4 planters. We also washed down 2 plastic benches, 3 plastic planters, both of the lifesaving stands and the main notice board.

The Canal and River Trust have recently provided us with a Green Flag Award Winners banner to display in the area. The international award acknowledges the hard work done by our volunteers over the past 2 years. Thanks to Sam at the Lock Keeper’s Cottage for letting us display this wonderful achievement that our volunteers truly deserve.

Thanks to the team of 10 volunteers: Tricia, Andy, Karen, Ali, Nick, Steve, Philip, Pat, Margaret and Trev, and not forgetting Jasper

Next Task:
