

<b>Task #</b>	24 – 12	<b>Date:</b>	13 June 2024	
<b>Task:</b>	<b>Grove Lane to Sileby Road, Sileby Road to Avon Road, path at the bottom of Mill Land play area</b>			

A very busy and productive morning, with 3 busy paths cleared back and made much more useable again.

We started off with the Grove Lane to Sileby Road jitty - gave it a good trim before moving further down the road to tackle the Sileby Road to Avon Road jitty. This had lots of nettles amongst the flowering wildflowers - so we have tried to remove the stingers whilst keeping beneficial flowers in place.

Then, we moved on to the path at the bottom of the Mill Lane play park - this had got very overgrown with all the recent rain, so was given a good cut back too.

An impressive days work by a great team today - thank you to Alison, Anne, Alistair, Karen, Margaret, Andy, Steve, Ian, Honor and Trev.

Thanks to Charnwood BC and Serco for providing the community bins.
