

<b>Task #</b>	25 – 06	<b>Date:</b>	20 <sup>th</sup> March	
<b>Task:</b>	<b>Towpath repairs – middle section</b>			

It was HARD work today barrowing 2 tonnes of grano from the bottom of Mill Lane to the middle of the towpath towards Deep Lock to repair some of the constant surface erosion along the length of it.

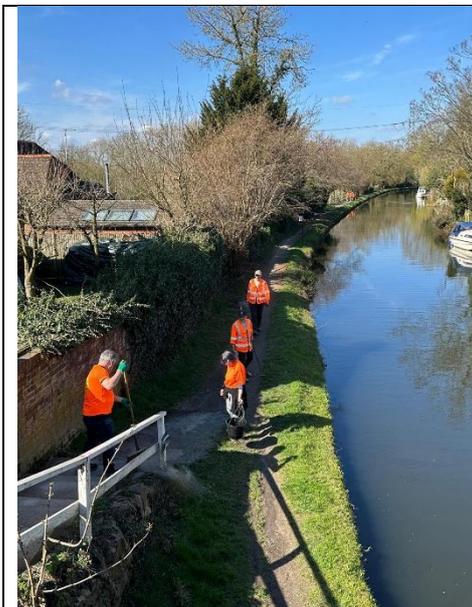

We had 6 volunteers on wheelbarrows, and 7 more raking, stamping and watering the grano to form a new flatter surface. Teamwork at its finest.

The tea and biscuits at the end were most welcome. Thanks to The Canal and River Trust for the materials.

Most of the team - enjoying a brew and biscuits
