

Task #	F26 – 19	Date:	20 th August	
Area/ Task:	Shooting Close Lane and nearby jitties			

The wider stretches of Shooting Close Lane didn't need any trimming back this time so we were able to concentrate on the narrow paths off the lane towards Hight St and Beveridge St. Lots of gutter weeds and ivy removed, as well as some substantial bramble branches and lashings of hops.

Some of the team were also able to trim back the worse of overhanging brambles and gutter weeds in the nearby jitties of Melton Road to New St, Church Lane and Hollybush.

Thanks to Charnwood BC and Serco for the community bins and a local resident who provided refreshments

Thanks to the team today: (L-R) Alistair, Andy NS, Nick, Philip, Steve, Anne, Andy B, Ian, Alison, Pat and Margaret
