

Barrow Community Litter Pickers

Date:	Monday, 7 th March 2022
Location:	Meet at Breachfield Road/Melton Road corner

What a difference an hour of litter picking can make.

5 volunteers out this morning to tackle the footpath leading from Breachfield Road upto the top of Poppyfields.

15 bags later - mainly the expected blown rubbish from building work that is still going on around there collected from around the herris fencing and the water courses, but lots of bottles too right at the top near the field.

Also lots of offerings to the dog poo fairy too - so another plea to dog walkers - you've done the worst part by collecting it in a bag, so please take it back with you. Please don't throw it into the nearest bush. Bird nesting season is just about to start and we don't want them using your offerings to feed their young.

Thanks again to our great volunteers - Ian, Ann, Sharon, Soo.

Next Event:
Date & Time: ** Sunday 20th March ** for Great British Spring Clean
Meeting Point: Bridge Street Amenity area – opposite The Moorings
