

Barrow Community Litter Pickers

Date:	Sunday 20 th March
Location:	Barrow Road

What a fantastic turnout today for our litter pick along Barrow Road.

We were able to take full advantage of Barrow Road being closed to remove a whole load of rubbish from the verges - **32 bags, 3 wheel hubs, 4 battered edge markers and 2 bags of cans for the BRB**. I'll also report a fly tip along the road too that was just too heavy to move.

Thank you to our **22 wonderful volunteers** that came out today - so many I ran out of Hi-vis vests for the last few to arrive.

Thanks to Sandie & Clair from Barrow upon Soar Parish Council for providing the much needed refreshments at the end.

Special thanks to Amie McKay for letting us load all those smelly bags into her van to take up to our collection point.
