

Barrow Community Litter Pickers

Date:	Monday 3 rd October 2022
Location:	Millennium Park and Fishpool brook

8 volunteers were out today and we got lots of stuff out of hedges and green spaces to make a much tidier environment for our furry and fluffy little friends.

Starting in **Millennium Park**, we went deep into the bushes and got 2 heavy bags out before we headed across the road in to **Fishpool Brook**.

The team were quickly in the stream pulling out all sort's, tyres, bin lids and even facia boarding.

Another 8 bags worth of grot from there.

In total 10 bags will be reported to Charwood BC for collection later in the week.

Team Today: Ann, Anita, Ian, Alison, Soo, Sarah, Margaret and Annette.

Thank you all
