- Covid-19 Restrictions were implemented in mid-March and a **Telephone Befriending** service was introduced. A service to collect/deliver shopping and prescriptions was also introduced to help members that are self-isolating. Plans to increase both volunteer and member numbers were temporarily postponed during lockdown
- A limited amount of home visits and transport tasks (with guidelines for safe working) were reintroduced from September
- A number of social events in a local COVID 19 secure venue were held in September and October. More are planned for future months
- Telephone Befriending calls increased during October and November due to a small number of members being unwell and additional support being put in place
- We now have **31 Volunteers** that have completed the DBS checks and **28 Members** registered

The 1st AGM for Barrow upon Soar Good Neighbour Scheme will be held on 26th January 2021.

The 'Year-end Tasks Completed' report will show 13 months of operation to tie in with our future reporting years.
